1. Brainstorm ideas for your flag by answering these questions:
 - What are some things that make you who you are?
 - What are some of your hopes, dreams, and interests?
 - What communities are you a part of?
 - What colors or symbols can you use to communicate these things and why?
2. Show yourself some love, and sketch some ideas for your pride flag.
3. Draw your final design on paper or a piece of fabric.
4. Color and fill your design, and attach the flag to your branch or stick.
